DEPARTMENT OF AGRICULTURE, MYSORE STATE.

OFFICE OF THE DEPUTY DIRECTOR OF AGRICULTURE, BANGALORE.

Notification dated 24th May 1937.

Sealed tenders will be received by the undersigned up to 3 P.M. on 25th June 1937, for supply of "Cattle feed and miscellaneous articles required for the Kar Ragi Breeding Station, Hunsur," during the official year 1937-38, *i.e.*, from 1st July 1937 to 30th June 1938. Tenders will be opened by the undersigned at 4-30 P.M. on the 25th June 1937 in the presence of as many tenderers as may choose to attend and the rates will be read out to them.

2. The approximate quantities and description of the articles required are given in the statement below. Tenders should be superscribed "Tenders for the supply of Cattle feed and miscellaneous articles for the Kar Ragi Breeding Station, Hunsur," during the year 1937-38.

3. An earnest money of Rs. 100 should be deposited in the Hunsur Taluk Treasury and the Treasury challan obtained therefor should accompany the tender, without which the tender will not be received.

4. Tenders should quote for the delivery of the articles on the Kar Ragi Breeding Station, Hunsur. Each group of articles will be considered as a separate tender by itself.

5. The quantities in the statement are only approximate and the actual quantities to be purchased during the year may be either more or less. If quantities more than those mentioned in the schedule are required, the successful tenderer will be bound to supply such additional quantities at the accepted rate.

6. No claim for compensation on account of rise in the prices due to whatever cause will be entertained during the contract period.

7. The successful tenderer should be prepared to supply such quantities of various articles as may be required from time to time, such indents being complied within two days from the date of their receipt.

8. The final acceptance of any tender will rest with the Director of Agriculture who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

9. The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement within three days from the date of acceptance of tender.

10. Fractions of a rupee in the totals of bills amounting to Rs. 25 or more will be rounded to the nearest rupee. Total of bills for less than Rs. 25 will be rounded to the nearest anna.

11. The articles to be supplied should be good and will be liable to be rejected at the expense of the tenderer if they are otherwise.

12. The earnest money deposited with the tender will be forfeited to Government, if the tenderer whose tender is accepted, fails to execute the necessary agreement. The earnest money received with the rejected tenders will be returned to the parties at their own cost.

13. Should the successful tenderer fail to comply with any of the conditions stipulated in the contract let to him, his contract shall forthwith be cancelled and the earnest money forfeited to Government. Further, in the event of the successful tenderer failing to fulfill the contract within the specified time, the undersigned reserves the right to purchase the required articles in the open market at his risk and expense and claim damages. The tenderer should also bind himself to supply any other articles required by the station at the current market rates.

Notification dated 24th May 1937.

Sealed tenders will be received by the undersigned up to 11 A.M. on Monday the 28th June 1937, for the supply of Cattle Feed and Miscellaneous Articles, required for the Government Experimental Farm, Hebbal, during the official year 1937-38.

The approximate quantities and description of the articles required are given in the subjoined statement. Tenders should be superscribed "Tenders for the supply of Cattle Feed and Miscellaneous Articles," for the Hebbal Farm during the year 1937-38.

The certified challan of the Treasury for having deposited the earnest money of Rs. 100 should accompany the tender without which the tender will not be considered.

Tenders should quote rates for the delivery of the articles on the Hebbal Farm.

The quantities given in the accompanying statement are only approximate and the actual quantities to be purchased during the year may be either more or less. If the quantities more than those mentioned in the schedule are required, the successful tenderer will be bound to supply such additional quantities at the accepted rates.

No claim for compensation on account of rise in prices due to whatever cause will be entertained during the period of contract.

The successful tenderer should be prepared to supply such quantities of the articles as may be required from time to time, such indents being complied with, within two days from the date of their receipt.

The final acceptance of the tender rates rests with the Director of Agriculture who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any such tender.

The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement within three days from the date of acceptance of the tender, and to deposit 5 per cent of the total cost of such articles for the due fulfilment of his contract.

Fractions of a rupee in the totals of bills amounting to rupees twenty-five or more will be rounded to the nearest rupee, *i.e.*, fractions or less than half rupee will be disregarded and half a rupee and over taken as a rupee. Totals of bills for less than rupees twenty-five will be rounded to the nearest anna.

The articles to be supplied should be good, and will be liable to be rejected at the expense of the tenderer, if they are otherwise.

The earnest money deposited with the tenderer will be forfeited to Government if the tenderer, whose tender is accepted, fails to execute the necessary agreement and furnish the required deposit. The earnest money on the rejected tenders will be returned.

Should the successful tenderer fail to comply with any one of the conditions stipulated in the contract, his contract shall forthwith be cancelled and the earnest money and the deposit forfeited to Government. Further in the event of the successful tenderer failing to fulfil the contract within the specified time, the undersigned reserves the right to purchase the requirements in the open market at the tenderer's risk and expense and to claim damages.

LIVE STOCK SECTION, BANGALORE.

Notification dated 28th May 1937.

Notice is hereby given that sealed tenders for the supply of one or more groups of articles to any or all institutions in the Live Stock Section for one year from 1st July 1937 will be received up to 2 P.M. on Monday the 5th July 1937 by the Director of Agriculture in his office at Bangalore. The tenders will be opened by the Director or in his absence from headquarters on tour, by his Gazetted Assistant on the same day in the presence of as many tenderers as may choose to attend and the rates will be read out to them.

2. The quantity of each kind mentioned is only approximate and cannot be guaranteed. They must be supplied in such quantities and at such intervals as the undersigned may choose to order.

3. Rates quoted must be per unit given in the list for delivery at the institutions mentioned in the annexure and the amount of each item must be worked out for the quantities indicated and the total amount of all the items should also be given. Tenders which do not comply with these provisions will not be considered. No erasures or overwritings in the entries in the money column should be made. All corrections shall be made neatly in red ink over the corrected figures and duly attested by the tenderers. The rates should be written both in words and figures.

4. Tenders must be given in the accompanying form and must be accompanied by samples of each article. They must be superscribed "Tender for the supply of articles required for (here mention the name or names of the institution) the Live-Stock Section, Department of Agriculture, Bangalore, for 1937-38 "

5. The articles supplied should be good and clean stuff free from impurities, and in case of dispute as to whether any material supplied is good or not, the decision of the Director of Agriculture is final. The latter has also the right to make a deduction in the accepted contract rate if, on account of urgency or other cause, any inferior material has to be accepted by the indenting officer.

6. No tenders will be received unless accompanied by a deposit receipt for having credited in the State Huzur Treasury at Bangalore a sum of Rs. 100 as earnest money to the credit of the Live Stock Expert, Department of Agriculture, Bangalore. No cash payment will be accepted.

7. The acceptance or otherwise of the tenders will rest with Government.

8. Intimation of acceptance of the tender will be given to the successful tenderer in writing.

9. Within three days after the receipt of such acceptance, the successful tenderer will be required to execute the contract bond on the usual Government Stamp paper in the prescribed form in default of which his tender will be considered as cancelled and his deposit money will be confiscated to Government. His supply should commence from 1st July 1937 or within seven days of the date of the receipt of order.

10. On acceptance of the tenders, arrangements will be made to refund the earnest money of the unsuccessful tenderers on a date to be notified to them in writing. No further enquiries regarding acceptance or rejection of tenders will be attended to. The successful tenderer will have to furnish a cash security equal to 5 per cent of the total value of the accepted tender on intimation to him before executing the bond required. The earnest money of Rs. 100 furnished by the successful tenderer will be refunded after he furnishes the required security. The security amount will be returned to him on the termination of contract.

11. The contractor or his authorised agent is required to supply the articles within three days of the date of the order.

12. The decision of the Director of Agriculture in all matters of acceptance or rejection of articles supplied is final.

13. The contractor must be prepared to supply any other articles not specified in the list, at market rates, on reasonable notice.

14. No application from the contractor for any sort of concessions whatever in consequence of the rise in the prices of the articles in the market due to scarcity, or other causes, will be considered.

15. No advance of cash will be made to the contractor. On production of necessary accounts and vouchers in support of his bills, payment for all articles supplied will be made as soon as possible after supply. The contractor should prefer one bill for all supplies made during a month. Regarding payments, the contractor must accept the following rules of Government :—

(i) In all payments to be made to contractors, fractions of a rupee in the totals of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half rupee will be disregarded and half a rupee and over taken as a rupee.

(ii) The totals of bills for less than Rs. 25 will be rounded to the nearest anna (fractions below half anna being omitted and half anna and over being reckoned as one anna).

16. The contract must not be sublet.

17. In the case of delay in supplying articles, purchases will be made elsewhere at the risk of the approved tenderer and any amount over and above his scheduled rates spent will be recovered from him.

18. A fine not exceeding Rs. 20 will be levied at the discretion of the undersigned for every infringement of the conditions of the contract in addition to recovering as described above and if the stipulations of the contract be frequently violated, the contract will be annulled and the security confiscated to Government at the discretion of the undersigned.

19. Any further information required may be had from the undersigned between 11 A.M. and 5 P.M. in his office on working days or by correspondence.

20. The cost of containers such as tins, etc., should not be separately charged but should be included in the rates quoted. The rates quoted for feed articles supplied in gunny bags should not include the cost of the bags as they will be returned to the approved tenderer.
